SUMMARY

Self-motivated graduate of the University of North Carolina at Chapel Hill with a dual degree in Statistics and Analytics and Public Policy. Passionate about data analytics with a strong interest in using data to develop creative and critical insights, particularly in the areas of sustainable development and inclusive policy solutions.

EMPLOYMENT

Special Enrollments Assistant, Office of the University Registrar, Chapel Hill, NC *July 2023 – Present*

- Provided registration guidance and personalized solutions to help students achieve their academic goals.
- Partnered with web developers and key stakeholders to design, support, test, and integrate Ocelot, an AI chatbot, on the Registrar's website to optimize experience and navigation.
- Led an initiative to standardize student enrollment data formats, improving operational efficiency by 25%.
- Managed UNC's internal registration system, performing manual detection, correction, and weekly dispatches on data quality issues and interinstitutional enrollment statistics.

Research Analyst, Grassroots SG, Raleigh, NC *Sep. 2022 – Nov. 2022*

- Conducted demographic research for the 2022 midterm elections, producing data visualizations on voting trends.
- Led a team of canvassers, coordinating efforts and providing training to ensure efficient data collection and analysis for voter mobilization, campaign targeting, and coalition building.
- Resolved issues with canvassers' behavior and methods to address data collection ethics.

Policy Intern, North Carolina Office of Boards and Commissions, Raleigh, NC *June 2022 – Aug. 2022*

- Drafted nomination letters on behalf of the Office of the Governor for state-level appointment confirmations.
- Validated potential candidates by analyzing their qualifications and professional backgrounds to nominate the most suitable individuals for vacant governor-appointed roles.

Administrative Intern, North Carolina Office of Public Engagement, Raleigh, NC *June 2021 – Aug. 2021*

- Developed and integrated a streamlined system for organizing and sorting incoming and outgoing mail, improving efficiency and reducing retrieval time for team members.
- Analyzed and implemented feedback in areas for improvement to enhance overall workflow efficiency.

PROJECTS & ORGANIZATIONS

Capstone Policy Researcher, myFutureNC *Aug. 2024 – Dec. 2024*

- Used RStudio to conduct advanced quantitative analysis of LIF initiatives, collaborating with a multidisciplinary team to produce accessible reports and presentations incorporating stakeholder feedback.

Co-Director, Academic Advising and Professional Development - Student Government *Aug. 2024 – May 2025*

- Directed a team of students to coordinate academic events, conferences, student initiatives, and discussions with administrators to enhance transparency and student engagement.

Vice President, UNC-CH Special Olympics *Jan. 2022 – May 2025*

- Spearheaded events to increase disability inclusion and awareness.
- Used innovative marketing strategies to achieve a 900% attendance increase for Special Olympics NC's annual rivalry game, making it the Special Olympics' highest attended event.

Fundraising Chair, The Bandana Project *Aug. 2022 – May 2025*

- Led initiatives to enhance mental health awareness and accessibility to essential resources for UNC students. Managed a team of students to drive monthly fundraising events, some of which raised over \$1,000.
